

# Vlad Alexandru Manu

## SUMMARY

Dynamic, hardworking, possessing strong technical skills backed by knowledge in HTML, CSS, JavaScript, SQL, Node.js, Bootstrap, React, and Git/GitHub to develop fully responsive websites across various devices.

Enthusiastic team player with a creative eye for design who enjoys collaborating on innovative web solutions for clients.

Looking forward to join a fast pace innovation organization as a Junior Web Developer where I can apply my knowledge to build effective products that positively impact society.
